

Dear Music Lover,

The Island Music Center, a 501(c)(3) non-profit, is raising funds to purchase a grand piano for its concert hall. Right now we have an amazing opportunity to buy a Yamaha C3 Grand Piano (6'1") from a local seller. This piano, built in 1982, was owned by a professional jazz pianist and is in excellent condition. The owner's daughter is helping us buy this piano by allowing the IMC to take immediate possession of the instrument so that we have it available for our Piano-A-Thon fundraising event on April 23, 24 and 25, 2010. Visit [www.islandmusic.org/pianoathon.html](http://www.islandmusic.org/pianoathon.html) for a full description of this exciting event. The total amount we need to raise is \$13,500 to buy the piano plus a stage dolly, and to cover the cost of moving it to the IMC. It is presently on our stage and has been professionally voiced and regulated by a local technician. This piano is ready to support entertainment and music education on Bainbridge Island!

**Special offer: be an IMC key contributor!** Donate \$153 and your name will be inscribed on a special commemorative piano keyboard poster to be displayed at the IMC. Become a part of local music history by joining our key campaign. Limited to 88 contributors.

Most importantly, your financial support will help us buy this piano and make it available to the music community for student recitals, concerts, rehearsals and other events. The IMC's excellent concert hall, with this piano on the stage, will become an even more valuable asset to the musical community of Bainbridge Island and will provide an improved learning and performing environment for our students.
